

# ● HORTI WAVIBOX CRATES

## PRODUCT INFORMATION

In Wavibox® crates your products are packed efficiently and safely for transportation and storage. Wavibox® crates are used in industrie, in the construction and of course in horticulture.

### Waviboxes®:

- can be stacked easily with crates used in pooling systems;
- have a modular sized bottom of 600 x 400 mm;
- size is tuned to Europallets of 800x1200 mm and ISO-pallet of 1000x1200 mm;
- is stable, even when stacked;
- is suitable for transport on conveyor belts;
- is easily cleaned and may be used for unpacked foodstuffs;
- can be printed;
- is made of HDPE and suitable for use in deep-freeze;
- is fully recyclable.

## WHAT WE CAN SUPPLY

Wavibox® crates can be supplied in 75, 120, 235 and 320 mm height with closed or perforated bottom and/or sides. The standard colour is grey; other colours can be obtained as from 5.000 pcs. Standard Wavibox® crates are available from stock.
