

● RETAIL & SERVICES PLASTIC DISPOSABLES

PRODUCT INFORMATION

The catering and food service sector revolves around eating and drinking and packaging because food and drink is often packed before it reaches the customer. Tasty snacks also ask for tasteful packaging. Whether it is coffee cups, beer and soft drinks glasses, plates, soup bowls, cutlery or containers for French fries and salads - Van der Windt's range has the answer to every packaging question. For snacks, hot and cold drinks, salads, meals and ice-cream dishes: the endless possibilities in plastic packaging materials offer a specific solution for every application.
