

● RETAIL & SERVICES BAGS

PRODUCT INFORMATION

Bags for garbage, bags for the laundry, bags for compost.....retailers, cleaning companies, caterers, food service, health care and industry; Van der Windt supplies an exceptionally wide range of bags to every imaginable market segment. Wentus, Van der Windt's associate company and manufacturer, makes bags from polymers such as LDPE, HDPE and MDPE as well as from bio-based polymers based on (corn) starch for use not only in pedal bins, the garbage container and the bio-bucket but also in crates, carts and garbage compactors. Customers who purchase Van der Windt bags can depend on quality and continuity; Van der Windt has made bags its business!

SUPPLY INFORMATION

On the roll, loose, folded, with closure strips, in an outer bag, with a banderol, in a box, bio-based, from paper, with a drawstring, in every possible colour, in different sizes, in many different thicknesses and for a wide variety of contents and, in many cases, available from stock: when it comes to bags Van der Windt is your unrivalled business partner.
